- III. Treasury Report- about \$38,000
- IV. National Convention

a. Registration and Attendance

- Madison West- 16 students, 1 adult
- HHS- 17 students, 2 adults
- Brookfield Central- 1 student, 1 adult
- BA- 5 students plus Danny Trunzo, 1 adult
- MUHS- 7 or 9 students, no adults
- We don't have any numbers from Wayland
- DSHA- 2 students, no adults

- i. Chaperones- Latin teachers are encouraged to attend nationals with their students. A teacher from one school can accept responsibility for students from another school that has no adult supervisor. According

to the national rules, you need at least one chaperone for every twelve kids attending nationals. Could an adult who's not a Latin teacher be the chaperone for students from a school without a teacher coming?

b. Transportation

i. Flight Options-

-There are two flight options out of Milwaukee. On the Spirit Airline no luggage is free.

-Mad West is staying Sunday night at UNLV.

-If you fly out on Monday you save \$55 because you aren't staying an extra night before the convention. You want to arrive in Las Vegas by 10:00 am on Monday so you have time to get to the rooms, eat lunch, and arrive at the first GA on time. The airport is three miles from the campus.

-There's a 6 am flight for \$214 (each way) on Southwest for Monday. This is a direct flight.

-The state will spend a maximum of \$15,000 to help with the transportation costs.
